

Little Acorns News

Week beginning 23rd September

We are so happy with the way the children have settled and are using our wonderful learning space. Thank you for all your support!
Have a look at our noticeboard in the playground showing current interests in EYFS.

Literacy / Phonics

The children are responding really well to our daily phonics sessions and love using the 'password of the day' to reinforce their learning.

Phase 2 Sounds learnt so far:
m,a,s,d,t,l,n,p,g,o,c,k,u,b,f

Phase 1 groups are thinking about environmental sounds and alliteration

Maths

The children have worked hard on their subitising skills. We develop mathematical language such as more, fewer and altogether through provision and snack times.

Vocabulary: more than, fewer than, altogether

Understanding of the World

We investigate seasonal changes in our beautiful grounds. The children explore natural materials inside and outside.

Please make sure that children have a named coat at school EVERY day. If you have waterproof trousers, please bring those too – we go out in ALL WEATHERS!

Personal, Social and Emotional Development

BLUE ZONE		GREEN ZONE		YELLOW ZONE		RED ZONE	
sad	tired	happy	calm	frustrated	worried	angry	terrified
sick	bored	feeling ok	ready to learn	silly	excited	yelling	hitting

PSED underpins everything we do in Early Years. We use the Zones of Regulation to 'check in' with our emotions throughout the day.

The children are becoming increasingly independent in meeting their own care needs.

Expressive Arts and Design

Investigating colour has been a focus, particularly outside. As you will have seen from their clothing...every day

the children have explored colour mixing with powder paint!
