They play outside whatever the weather and in the warmer months they use the field for play, outdoor learning and picnics. The children visit our wonderful outdoor classroom and garden where they can explore nature, we even have our own beehives!

To book a place or for further information please contact the school office and a member of the team will be happy to help.

Messages from school

Water Bottles

Please remember to bring a named water bottle into school full of water. We only have one water station in school so this will ensure less time out of class filling water bottles.

Bees

Ashlands bees recently won a Wharfedale Beekeepers Association award for their honey.

Winning the award was an amazing end to our season of hard work. We are all just thrilled and want to share our fabulous news with everyone.

Could we also ask for the honey stall at the Christmas fair to be cash only.

Weather related notifications from school over the Winter season.

Parents and carers should check the homepage of the school website first for information from school regarding any closures / late openings due to weather.

This is the quickest way for school to get this information out to the school community.

There is always a choice of fruit and vegetable every night.
