

Year 2

Autumn 2: Learning opportunities: Step back in time...

Here are a variety of OPTIONAL activities which you may wish to do with your child out of school to support and extend their learning in school.

This page is designed to help families to 'Enjoy Learning Together at Home'. However, if your child would like to share any of these tasks with us, we'd be delighted to see their work.

We will continue to send home spellings, English and/or Maths and encourage daily reading.

This term we are learning about...The Great Fire of London, The Great Plague and who Samuel Pepys was, alongside what life was like in the 1660's.

Here are some ideas if you wish to carry out a mini-project on an aspect of this...

- Create a piece of art based on bonfire night.
- Make a collage of a Tudor house.
- Follow a recipe and make some bread.
- Go and visit the Manor house in Ilkley and find out about the past, take some photographs and bring them in to show us. [Ilkley Manor House](#)
- What might Ilkley have looked like in the 1660s?

Please remember the grid is optional but your child may be rewarded with house points for their efforts.
